Welcome to **THE DANCE STATION**

19th Winterlude Showcase

We are thrilled to kick off our competitive season and celebrate The Dance Station's 142 talented company dancers! These remarkable students — ages 4 to 18 — train in a wide range of styles under the dynamic leadership of Mindy Mosey and her exceptional faculty.

These performances reflect the spirit that drives our dancers: their commitment to showing up, working together and pushing beyond their limits is at the heart of everything they do. Their dedication, teamwork and genuine love for dance shine through every routine you'll see.

Since September — and for some, even the beginning of summer — our dancers have been building strength, refining technique and learning new choreography. Winterlude is their first chance to share these routines before stepping onto the competitive stage.

Acknowledgements

Thank you to the TDS faculty and our guest choreographers for your creativity and commitment to shaping these routines.

Photography & Videography

- After All Photography by Victoria Schwarzl — thank you for capturing our company photos and treasured photographic moments backstage.
- Andy Yu — your incredible photography helps us preserve memories year after year.
- Noah Vetter Films — thank you for beautifully capturing our shows on video to treasure for years to come.

Sponsors

Our sincere gratitude to the 2026 Winterlude sponsors. Your generosity makes this event possible and supports meaningful opportunities for our dancers.

Parents & Supporters

To our competitive dance parents — thank you for the time, energy and love you invest. From driving to classes and rehearsals, to supporting your dancers' well-being, to cheering from the audience (and sometimes the parking lot!) — your commitment shines through your dancer on stage. Thank you as well to our families and friends for your continued support and presence. We couldn't do this without you.

So please sit back, relax, and enjoy as we proudly present...

Message from the Artistic Director

To our TDS Dancers taking the stage at Winterlude 2026:

Step into the spotlight with confidence. Your commitment, passion and countless hours of hard work have led you to this moment, and we are so proud to watch you share your artistry on stage.

A very special acknowledgement goes to our graduating dancers, Regan Hart, Mikayla Holden and Taylor Milsom. Being part of your journey has been a true privilege. Watching each of you grow not only as dancers, but as strong, kind and inspiring individuals has meant so much to the entire TDS Faculty. Your presence in the studio will be deeply missed, and we hope your final Winterlude performance is filled with joy, pride and unforgettable moments.

As you head into the 2026 competitive season, dance with confidence, support one another, and enjoy every moment on stage.

We are so proud of each and every one of you.

Ms. Mindy

Parent Committee

The TDS Parent Committee works in partnership with The Dance Station to build a strong sense of community, support an inclusive studio environment and create opportunities for dancers and families to form lasting friendships and memories.

Our Role

The committee's primary responsibility is planning and organizing the annual Winterlude showcase in collaboration with TDS. Winterlude provides dancers with an early opportunity to perform their new routines and offers choreographers time to make refinements before the competitive season begins.

In addition, the committee provides volunteers for Winterlude, the year-end recital and other fundraising activities. The committee also helps support studio events and initiatives for competitive dancers – such as orientation for new competitive families and the year-end party.

Get Involved

Volunteer opportunities are open to all parents and will be shared via email throughout the season. We always welcome additional support – your involvement helps create a positive and memorable experience for our dancers.

If you have any questions, please reach out to

Trish Holden, Committee Chair
